Sun Origami Instructions

#ShareTheSunshine
1. Start with a square piece of paper.

2. Fold the paper in half vertically.

3. Fold it in quarters vertically, so the edge of the paper meets the crease in the middle.

4. Repeat on the other side.

5. Fold the paper in half horizontally.

6. Fold in quarters horizontally on both sides similar to step 3.

7. Turn the paper over.

8. Fold the corner into the middle. Unfold.

9. Repeat for all four corners.
10. Cut from the edge of the paper to the first crease on all sides.

11. Turn the paper over.

12. Fold one edge up horizontally, then fold it vertically—this will help the next fold.

13. Push the diagonal fold inwards.

14. Tuck the folds underneath so you have a small square

15. Repeat for all four sides so you have four small squares.

16. Fold the edge of a small square into the middle.

17. Repeat on the other side, so you have a kite-like shape coming from the middle of the paper.

18. Repeat on all 4 small squares.
19. Unfold the folds from steps 16-17 and lift open the flap.

20. Open the flap. You will need to make a crease along the black line to open it up.

21. Push the edges into the middle and fold the flap up.

22. Repeat on all four sides.

23. Turn the paper over. Fold the point into the middle of the square.

24. Repeat for the other points, so they are all folded into the middle.

25. Turn the paper over.

26. Open each flap and fold it down.

27. Repeat for all flaps until you have a sun.
